Dear Prospective Advertiser,

Northeast Ohio Dance is a very unique non-profit arts organization. The publication of our performance program provides businesses and service providers in our area an opportunity to support the Arts, while reaching many patrons with your printed advertisement. Our programs are free to the attendees of our performances.

This will be our 11th Nutcracker season. Last year Northeast Ohio Dance's production of The Nutcracker was performed for two weekends to four full theater audiences in Barberton and Medina, as well as, special Friday performances for school age children. Our surveys which we include in the program tell us that audience members come from Wadsworth, Medina, Seville, Rittman, Brunswick, Westfield Center, Norton, Barberton, Copley, Akron and Doylestown.

We need your support to enable us to continue to bring The Nutcracker to life. We hope we can include your business as one of our sponsors this year.

The advertisement sizes and file format information are on the attached form. Please complete the following form along with your personal check or money order, payable to NEOD.
